

The Standard™ COLUMN

Ready To Paint

Features and Benefits:

- Our seamless column eliminates the need to sand seams or parting lines before painting.
- Just a couple dabs of adhesive on top of the snug-fit capital, slide it into place and caulk the bottom before painting.
- Our composite base will withstand the harshest weather elements and stand up to some serious thumps and bumps.
- Round columns come with 3 contoured brackets to secure the bottom of the column and 3 for the column top.
- Square columns come with 2 corner brackets for the bottom and 2 for the top.
- Just like any stock size Column & Post product, everything arrives all-in-one-box.

Here's what you get in the box:

- A seamless round column in 8", 10" and 12" diameters and 8', 9' and 10' lengths.
- Square product comes with one seam that has been sanded and ready to paint.
- Poly capital with foam ring for snug fit.
- Composite base
- 6 Contoured aluminum brackets for round columns with 12 Tapcon® screws*
- 4 Angled corner brackets for square columns with 8 Tapcon® screws*
- Whether it is round or square, everything comes all-in-one-box.
- *Brackets and Screws may be an additional purchase. Ask your supplier for details.
